Placentia Is All-American City Finalist

PLACENTIA — The city of Placentia has been named a finalist in the All-American City competition sponsored by the National Municipal League.

As a finalist Placentia is one of 18 cities nationwide of all sizes competing for the designation of All-American City. About half of the finalists are so honored each year.

The committee which prepared the original application for the honor was chaired by Vic Michel, former councilman and now member of the Placentia Library District Board of Trustees.

Members of the committee were Jack Slota, Norm Traub, Virginia Farmer, Edwin T. Powell, Richard Samp, Fred Aguirre, Ron Zaret, and Jim Brock.

The application emphasized activities on behalf of minority groups such as the Atwood annexation, the Atwood self-help housing project, the Orange Freeway clean-up in the La Jolla area and the South Placentia parkette; and youth activities such as the volunteen program, teen commissioners, the snack shop in Tuffree Park, having youth on the police chief's oral examination board, house number painting by Teen Scene, and the transportation of children from south Placentia to swimming pools. Also mentioned was the dedication of six new parks this year.

The award is given for citizen participation in the activities of the city. A group of citizens will go to Atlanta, Georgia in mid-November to give the final 10-minute presentation before the judges.

Announcing that Placentia has become a finalist in the All-American Cities competition sponsored by the National Municipal League are, from left, Councilman Richard Demmer, Committee Chairman Vic Michel, Mayor Robert Finnell, and City Administrator Edwin T. Powell.

PUSD Board Will Meet On Thursday

PLACENTIA — A special meeting of the Board of Trustees of the Placentia Unified School District to hold a public study session on accommodation of students at various schools will be held October 21 at 7:45 p.m. in the El Dorado High School lecture hall.

The board will also meet at 4:30 and at 5 p.m. on October 20 at the board room to discuss adult personnel. Most of that meeting will be executive session.

At the Thursday meeting the board will continue its discussion of the problem of overcrowding in the schools begun at its meeting of last Wednesday.

A large crowd, mainly from Morse and Orchard Schools, where some grades are on double sessions, asked the board for some relief such as buying trailers to relieve the pupil pressure.

Also reviewed last Wednesday were plans for the new Esperanza High School and the new Glenview Elementary School. Esperanza is scheduled for completion in September 1973 while Glenview is scheduled for completion in September 1972.

Thursday night the board met, mostly in executive session, with the meeting going until 4:30 a.m. There was no announcement following the session.

Commission Considers Annexation

YORBA LINDA — The Planning Commission last week was forced to hold two sessions due to an extremely heavy agenda.

Considered at the October 12 session, was a zoning change and a tentative tract map involving the same piece of property, located east of Jefferson Street and north of Buena Vista Avenue. The commission approved both of the requests which will allow the Essex Land Company to develop the 18.5 acre tract.

The proposed annexation of the Lower Locke Ranch area, where residents of the Fairgreen-Fairlyn-Fairview area have requested that the 132 acres be annexed to the city, was among the items considered at this session. Included in the annexation request this time was an additional 40 acres located east of Fairmont Boulevard, owned by the McCarthy-Sant Company, and presently undeveloped. The commission voted to forward a recommendation to the council to proceed with the proposed annexation.

Two more zoning cases were continued until the October 26 meeting, but rezoning for 9½ lots at the corner of Second Street and Pacific Avenue from an A-1 (0) zone to a C-2 (AC) zone was approved. Owner of the property, Wendal Solesby, plans to construct and operate an auto body shop at the location.

YL Council Approves Plan With Few Minor Changes

YORBA LINDA — The City Council approved the final version of the new city general plan at its regular meeting Monday evening, changing only four items upon recommendation of the Planning Commission.

The plan had been referred to the commission for further review following several months of public hearings and discussion by the City Council.

The Planning Commission recommended changes in several different areas, the area south of Buena Vista Street and west of the old reservoir, from low to medium low density; a portion directly north of Bastanchury Road, from low to medium low, as was originally proposed by the commission; a one block area between Eureka Street and Casa Loma Avenue and bounded by Imperial Boulevard on the south and Bastanchury Road on the north, from medium low to medium; from Eureka Avenue on the west to Lakeview on the east, and bounded by Bastanchury Road on the north and an elementary school on the south, from medium low to medium; the area between the old Anaheim canal and Imperial Boulevard and east of Prospect Avenue, from medium low to medium density; the area west of Eureka Avenue between Imperial and Yorba Linda Boulevards, recommended for multi-family dwellings and cluster type units; and the area to the north of town, past the city boundary and north of Wabash Avenue, to be designated by manufacturing, with a net of 100 acres set aside for an industrial park.

Two other recommendations regarded changes in the General Plan Text including a deletion of one of the plates.

Councilmen agreed to change the area south of Buena Vista west of the reservoir from low to medium low density and, the area bounded by Casa Loma, Bastanchury, Eureka and Imperial from medium low to medium density, and approved extension of the industrial area to a minimum of 100 acres.

The plan was approved by a 3-2 vote with Councilmen Roland Bigonger and David Cromwell opposed.

In other action the council approved the use of money from the federal public employment program to hire three persons, a clerk typist, a building inspector and an engineering assistant with the $27,017 allocated to the city.

Persons hired under the program must be unemployed and must reside within the city. Applications are now being taken at city hall.

Brainwashing Won't Cure A Recurring Headache

Dr. Donald Brinkley of the Brinkley Chiropractic Centers once remarked that "most persons do not die from natural causes: they kill themselves."

There is more truth in this observation that most of us would care to admit. The man who is alert for the faintest off-normal sympton in the engine of his motor car — and who hurries to a service station to have it corrected — will abuse and neglect the most delicate of all mechanisms — the human body — until a "breakdown" forces him to take time out for a prolonged — and usually costly — renovation.

Dr. Donald Brinkley

And this is just as true of the women, too!

"Frankly, it amazes me," says Dr. Brinkley, "to find people accepting headaches as discomfort to be expected and endured to some extent.

"Frequently, in examining a new patient, I'll find something that suggests the possibility of repeated headaches. Of course, I'll ask the patient whether or not he or she does, in fact, get headaches.

"The answer often is 'Yes, Doctor, I've been getting headaches for the past two or three years. I take something each time and they seem to disappear.' "

Dr. Brinkley's point is that while people will seek immediate and effective treatment for backaches and other serious problems which of themselves are not unusual, they overlook others such as headaches that are just as dangerous and perilous to one's well-being.

"The public has been brainwashed about headaches," says Dr. Brinkley. "People are constantly reminded of self-treatment of headaches by using pain killers, and they overlook the serious consequences of allowing a headache condition to reoccur on a constant and continual basis."

Then there are headaches which people do not accept so casually. "Unfortunately," says Dr. Brinkley. "They are the headaches which are too frequent and too severe to endure. We see people with chronic headache problems everyday.

"The causes of headaches are varied and numerous. They may come from circulatory disturbances, kidney disorders, digestive upsets, etc. There are sinus headaches, headaches from nervous disorders, the migraine headache, and many others.

"The symptom of a headache is easy enough to identify," smiled Dr. Brinkley. "I guess you could simply say you have a hurt in the head."

But there is nothing comical about the consequences of a headache left untreated.

And while a pesky headache may be easily relieved with a pain remedy, it occurs to Dr. Brinkley that it would be just as easy to attack the cause of the problem on a "once and for all" basis.

"If you think that once you've had a headache you are bound to have another, you'll be right under one condition.

"And that's on the condition that you never seek permanent relief of the headache."

And it certainly won't kill you if you try!

Further information regarding this problem can be had by writing the News-Times, P.O. Box 10, 415 W. Chapman — News-Times Square, Placentia, Calif. 92670.

Mary Foley Weds Alan Fairweather

In a lovely candlelight ceremony at the new sanctuary of St. Martin's Church in Yorba Linda, Alan Dean Fairweather of Fullerton claimed Mary Beth Foley as his bride.

The new Mrs. Fairweather is the daughter of the Dan Foley's of Yorba Linda. Her groom is the son of David Fairweather, and Mrs. Jean Fairweather of Fullerton.

Both the bride and groom attended Troy High School and Fullerton Junior College.

The bride was gowned in an original by Alfred Angelo. The lace trimmed white silk crepe was designed with bouffant accordian pleated sleeves, and the bodice with the same pleating rose to a Mary Queen of Scots neckline. The hem fell into a short train. Over her shoulder length veil, she wore a halo of small white bud roses. She carried a bouquet of matching roses.

Attending the bride were Mrs. Marc Foley as matron of honor, and bridesmaids, Mrs. J. D. Lafferty of Long Beach, Mrs. David Wolfe of Covina, and Miss Iris Arias of Placentia. All were identically dressed in old fashioned designed gowns of navy blue trimmed with white lace. They wore halos of white daisies and carried daisy nosegays.

Best man for his brother was Evan D. Fairweather of La Habra and ushers were Marc G. Foley, Dennis Foley, brothers of the bride, and David Wolfe of Covina.

Nancy Gomez attended the guest book, and Rhonda Boisseranc was soloist at the ceremony read by Father Robert Gara, pastor of St. Martins.

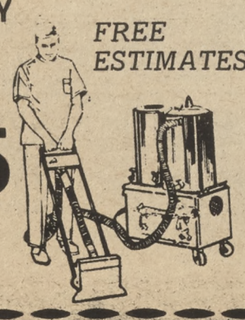

Following the evening wedding, a reception was held at the Yorba Linda Country Club.

After a trip to northern California, Mr. and Mrs. Fairweather will make their home in Fullerton.

Fraternity Donates Haunted House

From left, Robert Curl, David Curl, Todd Jensen and Saundra Oberle try to subdue a dinosaur which will appear at Mon Ami's Haunted House this weekend.

An old white mansion complete with creaking floors and squeaking doors is the perfect setting for such spine chilling creatures as vampires, witches, ghosts and goblins.

These weird creatures and many more will be haunting the Sigma Alpha Epsilon Fraternity house on Palm Drive and Placentia Avenue the week of October 23 through October 30 when the Mon Ami Auxiliary of Children's Home Society open the squeaking doors of their second annual Haunted House.

Hours will be 3:30 to 8 p.m. weekdays and 11 a.m. to 8 p.m. on Saturday and Sunday. A donation of 50 cents is asked of all who enter the squeaking door.

Among the groups participating in the Haunted House will be the Yorba Linda Junior Woman's Club who plan to be in communication with eerie spirits.

Others assisting or subsidizing Mon Ami in their efforts will be Kiwanis, Placentia Teen Scene, Sav-On Drug, Winning Circle Riding Club, and the Sigma Alpha Epsilon Fraternity brothers.

Mrs. John Courtier, haunted house chairman, has announced that a sneak preview of the Haunted House will be held on Friday evening, October 23 for invited guests. Judging of the decorated rooms will take place and a trophy will be awarded to the winner. The judges will be Mayor Robert Finnell of Placentia; Mrs. Barry McPherson, PTA council president; Paul Petredes, donor of trophy; Larry Pizzi, president of SAE; and Mayor Henry Wedaa of Yorba Linda.

Proceeds from the Haunted House will go to Children's Home Society, a nonprofit adoption agency serving all of California. Finding parents for the many "special" children who are waiting for a home and parents of their own is the goal of the special adoption committee called SEARCH. These children are older, or have mixed racial heritage, or have major medical problems.

Finnish Girl Attends Valencia As Senior

Adjusting to a new way of life in Placentia is Finnish foreign exchange student Hanne Koli, who arrived August 17 at the home of "sister" Pam Kissinger, daughter of Mr. and Mrs. Donald Kissinger, 526 Pinehurst Ave.

Hanne, a senior at Valencia High School, who will graduate with the class of '72 and return to her homeland next August, finds Americans friendly "people are very kind to take students into their homes."

Youth For Understanding gave the Helsinkian the opportunity, through a scholarship, to come to the U. S., leaving her family of seven to complete the three member Kissinger family.

Hanne finds that Americans spend money more than Fins, who lean towards saving. In three words, it's the old cliche, "Americans are rich."

Although school for the pretty Scandinavian continues for two more years upon her return to Finland, when she has the equivalent of our junior college, Southern California, with its "easy schools, rich but friendly people, and heat," will continue to host Hanne for another ten months.

Senior Citizens Club Plans Salad Luncheon

Placentia Girls Set Halloween Get Together

Masks and costumes will be the dress of the evening for the Placentia Presbyterian Mariners Saturday, October 23 when they have their annual Halloween Howl in Fellowship Hall.

Members will be led through a Hall of Horror and then enter into an atmosphere of black cats, witches and spooks which Judy Hakeman and her committee created.

Dee Nelson and Other mariners have planned a bewitching menu of batwing soup, rat tails, frog legs, cats' whisker salad and witches' brew. Dean Davisson will add to the fun with surprise games in keeping with the Halloween theme. Witch hunters, Chuck and Kathy Regan are in charge of planning the event.

Price of admission for the members will be a favorite recipe to be included in the Mariners' Cookbook which will be on sale before the holidays. The profit from the cookbook will be used for philanthropic projects.

Election of the Fleet Officers for the coming year will be held at the end of the evening.

Mrs. Holmes In Hospital

Mrs. L. A. (Margaret) Holmes, 16342 Shadburn, Placentia entered St. Jude Hospital, Saturday, October 9 after suffering from a fall. It is expected that Mrs. Holmes may enter a Convalescent Hospital for a short period before returning to her home.

Marines To Hold Veterans Day Assembly

The field will be decorated blue and white in honor of the occasion.

Placentia Boy's Club Board Elects Officers

The Board of Directors of the Boys' Club of Placentia recently held annual elections for officers of its corporate board. Newly elected officers are Henry "Bud" Cook, president; Robert des Granges, first vice-president; Dr. Norman C. Wiley, second vice-president; Tom Shipkey, treasurer; and Marilyn Wood, secretary.

The officers of the Boys' Club board represent its executive committee which provides direct leadership towards the development of the Boys' Club. Officers devote many hours per week on behalf of the Boys' Club and establish policy for Club operation and are responsible for developing financial resources for capital improvements and operating budgets. The current operating budget of the Boys' Club is approximately $32,000.

In addition to these new officers, the following members will continue to serve on the Boys' Club Board of Directors, Glenn Farmer, Howard Herbert, James Hock, Steve Muro, Earl Shelley, David Snow, and Beverlee Steele.

The major goals and objectives for the coming year include the completion of the Boys' Club construction program and the dedication of the new facility which will significantly broaden the base of service the Boys' Club will provide to the total community. An estimated 1,500 boys will be participating in Boys' Club activities by the end of 1972.

Other programs currently under way include increasing the size of the Corporate Board, developing an Associate Board of Directors, increasing the Back-A-Boy membership, developing a Century Club, and developing a Patrons Club.

Areas of new concern for the Boys' Club in 1972 will include the establishment of an endowment program and a bequests program under the leadership of the Club's Finance Committee. It has become more evident as the Boys' Club continues to broaden its base of services that additional funds are needed.

Baptist Pioneer Girls Set Halloween Party

Ghost, goblins, witches and girls grades 2 through 9 are invited to the Halloween party being planned by the Faith Baptist, Yorba Linda, Pioneer Girls, to be held October 26 from 7 p.m. to 8:30 p.m.

The Pioneer Girls hold their weekly meetings on Tuesday evenings. Their theme is "Christ in Every Phase of a Girl's Life". The girls are involved in Bible exploration, crafts, recreation, and learning to cook and sew. The girls achievements are recognized with rank and badges.

Girls interested in joining the Pioneer Girls are asked to come in costume to the Halloween Party.

Further information may be obtained by calling Faith Baptist Church at 524-1709, or Mrs. Evelyn Catham at 528-4518.

Baptists To Present Skits, Slides Oct. 23

The adult commission of the Faith Baptist Church of Yorba Linda has scheduled a production for the family to be presented on Saturday evening, October 23, at 7:30 p.m.

A series of skits will make up part of the production called "The Bible in FM." Translated, "FM" stands for "Fun in Meditation," according to a church spokesman.

One skit, called "The Collegians," will feature men dressed as women who will pretend they are yell leaders. Another will be called the "Flower Master's Bouquet" and will depict a humorous scene in a flower shop.

Slides will also be shown, as a part of the program, with a mixed quartet furnishing appropriate background music.

Since the production is a "social" no babysitting will be provided, but even young children will enjoy the program. Refreshments will be served and admission is free.

Christian Science Lecture Set

True life and goodness have no end, according to the Bible Lesson-Sermon on "Probation After Death" at Christian Science churches Sunday.

One of the passages to be read from Psalms affirms: "Thou wilt shew me the path of life: in thy presence is fulness of joy; at thy right hand there are pleasures for evermore."

The public is invited to services beginning at 11 a.m. at Christian Science Society, Yorba Linda, Olinda at Imperial Highway.

Clothing Drive To Continue

The Church World Service Clothing Drive will continue for one more week at Morningside Presbyterian Church in Fullerton.

Blankets, infant's and children's clothing are badly needed, as well as washable clothing for men and women. Items can be left in the church vestibule until October 31.

Church Lecture Will Include Speaker Smith

Guest speaker Alaister G. Smith of San Francisco will explore "A Basis for Justice" during a public lecture to be given tomorrow evening at the First Church of Christ Scientist in Fullerton.

Luncheon Set For Methodists

New and prospective members of the Women's Society of Christian Service of Valencia Methodist Church will be honored at a salad luncheon on October 27 at 11 a.m. in the Placentia church.

All the women of the church are invited to attend the membership event. Child care will be provided.

Annual Parish Party Planned

St. Juliana's Catholic Church will hold it's annual parish card party and dessert at Rosary Hall, 1340 N. Acacia, Fullerton on Wednesday, November 10, at 8 p.m.

Committee chairmen include Mrs. Andrew Koepfer, district one chairman, prizes; Mrs. Edward Duralde, district two chairman, dessert; Mrs. Rushton Backer, district three chairman, dessert; Mrs. Ray Golan, district four chairman, decorations; Mrs. James Davis, district five chairman, tickets.

Tickets will be available at the church after all the masses on October 31 and November 7, or from Mrs. Davis at 524-3868.

The Women's Club of St. Juliana's Church sponsors this card party as a fund-raising project to help meet the financial needs of the church altars and Confraternity classes. They also help the Medical Missions in Leper colonies by making bandages and hospital coats.

The club will be assisting a Lay Mission family, Mr. and Mrs. William Schlater and family, who left recently for Prince George, Canada.

YL Church Installs New Sound Equipment

The First Baptist Church of Yorba Linda began using a new sound system on Sunday, October 10. Purchase of the equipment was made possible by a gift from the estate of the late Leola Price.

Microphones have been provided for the choir and the pulpit, with a speaker also installed in the nursery, so those there may share in the services. The equipment can be moved to the fellowship hall for dinners, or to the Youth Center for concerts.

Ron Crary and Charles Horn are responsible for planning, selecting, and installing the equipment. John Houke serves as "sound engineer" during church services.

YL Lutheran Women To Aid Projects

Next Tuesday, October 26, will be Stewardship Day at the Messiah Lutheran Church in Yorba Linda. On this day, the fourth Tuesday of each month, women of the church gather to work on various projects for people less fortunate than they.

This month has been proclaimed "Lutheran World Relief Month," and it is the church's aim that each family contribute at least one blanket and as much children's clothing as possible to aid the needy.

There's more to Ralphs than just low prices.

There's Ralphs own bread with no preservatives added.

Ralphs bakes its bread fresh in its own bakery. We have for 45 years.

And it's sold to you fresh.

We don't use preservatives in any of our breads, rolls, cakes or cookies. And when you don't use preservatives, you have to be sure you sell your products fresh.

Ralphs bakery uses lots of butter when butter is called for. And we use real eggs instead of the powdered kind – and only the most wholesome of other bakery ingredients.

With all that going for it, Ralphs bakery goods are naturally good tasting.

Why not try some and see for yourself.

All stores will be CLOSED VETERANS DAY, Monday, Oct. 25th.

THE ABC's OF NUTRITION

by Martha Randall Ralphs Home Economist and Consumer Affairs Manager

The Bread and Cereal Group supplies B vitamins for good appetite and digestion, and general well being. Read about this essential food group in our free booklet, "The ABC's of Nutrition," available in all Ralphs stores. And if you're being cost conscious:

- Check our Price-Per-Measure tags. Generally, cereals and other grain products are less expensive per ounce when you buy larger sizes.
- Add your own spices, herbs and flavor enhancers to plain rice. Pre-packaged, seasoned rice mixes are usually more expensive.

Fire Dept. To Begin Inspection

Chief James F. Sims of the Placentia Fire Department announced today that fire prevention personnel have begun the inspections preparatory to posting of those properties requiring abatement of weeds, trash, and litter as outlined in the Placentia Municipal Code.

As a result of these inspections, courtesy notices will be mailed to all owners of properties that are found to require abatement. The courtesy notice will request that the property owner clean the property himself and will also give an estimate of the cost of abatement if it is necessary for the City Contractor to perform these services.

Approximately 20 days after the courtesy notice is sent, those properties still requiring abatement will be officially posted.

If any property owner has any questions regarding the procedures followed, they should contact the fire prevention bureau.

Major Task Of Senate Is Communication

"Communication will be main task of senate," stated Student Senate President Ron Severson, Valencia High School senior, after the first meeting in the school auditorium, October 7.

Jobs of the Valencia student senate include selling ASB cards and helping in homecoming and class elections.

Helping Severson this year will be Jody Parkin, vice-president, and Meg O'Shaughessy, secretary.

Adding a new facet to this years senate will be Larry Taylor, who will head all election procedures and act as senates representative to student council.

Mrs. Smock To Speak For Woman's Club

The Yorba Linda Woman's Club will have the special pleasure of one of their own members presenting a program at the October 26 general meeting. Mrs. Jeanne Smock will review the book "Maria, the potter of San Ildefonso" by Alice Marriott.

This is a subject close to Mrs. Smock's heart as she has been an admirer of Maria since she first saw a piece of her work when she was a child. So impressed was she, she felt it was the most beautiful thing she had ever seen. It was one of the famous pieces of black on black pottery developed by the renown potter Maria, who is still living in New Mexico and believed to be in her 90's.

Maria is not an unknown name to members of the Yorba Linda Woman's Club for in the Woman's Clubhouse hangs an oil portrait of this famous potter by the Indian artist Bruce Lube who has displayed his art works in Yorba Linda at each of the "Main Street U.S.A. Art Festivals." He presented Maria's portrait to the Yorba Linda Woman's Club when he spoke at an art brunch several years ago. Lube, who knows Maria personally, revealed a little of the unusual story of her life at that time.

Along with reviewing the unique American biography and a story of the birth of the art, Mrs. Smock will have an Indian artifact display including jewelry, pottery, and one piece of Maria's black on black pottery. The Indian display is loaned to the club by Mr. and Mrs. Jack S. Cole of Yorba Linda.

The Woman's Club meeting will begin at 12:30 p.m., October 26. Guests are welcome and may make arrangements to attend the meeting by calling Mrs. Mary Marx, 528-4345.

Mrs. Norman Lambert, president, will preside at the business meeting and hostesses will be Mrs. George Williams and Mrs. Stan Shields.

Valencia Is Victorious Over University 20-7

A thunderous roar of shouting Valencia Tigers filled the air as the gun sounded the end of Friday's game 20-7 victory over University.

Starting out slow the Tiger pack only scored one touchdown by half-time, but got down to work after the half.

Two minutes were left in the second quarter when quarterback Pete Laborde completed a pass to Craig Caldwell to score six for the pack. The extra point was good and the Tigers led 7-0 at half-time.

''Pinckney's Pack'' paraded on the field again after a half-time of short but strong rain.

Late that quarter, senior Dane Ilertsen blocked a punt which sent the two teams after a loose ball. Junior Don Reis snatched the ball up and carried it into the end-zone to make the score 13-0. Earlier, Ilertsen was unable to block the ball, but hit the kicker instead, which brought a 15-yard penalty.

University had not been able to come up with any yard gaining plays until a pass from their 33 brought them to the Valencia 35. The drive got them within inches of a TD, but the Tiger defense held the Trojans on the one-foot line.

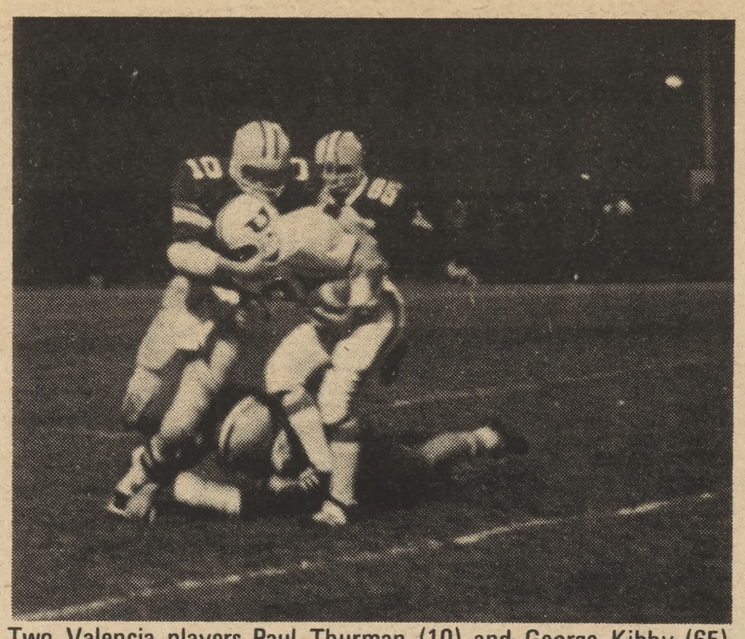

The clock showed 6:10 left to play in the fourth quarter when the Trojans scored on a 25-yard pass to start moving up on the small lead that the Tiger team had.

A new QB ran out on the field for VHS, and three plays later he scored with a quarterback sneak, to make the scoreboard lights turn to 20-7 valencia.

University tried hard to score again, but with 40 seconds left, they fumbled and VHS recovered.

Coach Pinckney was almost sure that Dane Ilertsen was the player of the game. He also mentioned the very fine efforts of Dave Fujinami and Pat Walters.

Homecoming night is the next game for the Tigers when they will go against Laguna Beach.

Two Valencia players Paul Thurman (10) and George Kibby (65) stop University runner during action in Friday night's football game during which Valencia defeated University 20-7.

ED Polo Team Again Defeats Marina High

After compiling a 10-2 record in nonleague action, El Dorado's Varsity water polo team opened Orange League play Wednesday against Laguna Beach.

In their final tune-up before league, the Hawks played host to a tough Marina team last Wednesday. The game, a foul-ridden affair, turned out to be a test of bench strength as five Hawk starters fouled out. El Dorado's good bench gave the Hawks a 10-7 win, the second time this year the Hawks have downed Marina.

Jim Louderback, who came off the bench to score three goals, and Mike Wiegand led the scoring attack for El Dorado. Goalie Guy Antley again looked impressive, although he didn't get much help from the Hawks defense, as he blocked an incredible three out of four penalty shots.

In the Hawks only other game last week, El Dorado annihilated Pacifica 20-2, Monday. Antley came out of the goal in the second half to lead the Hawks in scoring with four goals. Every Hawk who got into the game scored a goal, in a well balanced attack.

This Friday, the Hawks face one of the toughest teams on their schedule as they play Upland. Offensive help for Wiegand will be the key to the game for the Hawks.

El Dorado Loses To Brea In League Game

Going for their first league win and their first win in two weeks, El Dorado's Varsity football team hosts Saddleback Friday.

The Hawks got off on the wrong foot in Orange League action, as they dropped their league opener to Brea last Friday, 19-14. A touchdown by Brea late in the fourth quarter for Brea was the deciding factor in the closely played game.

Brea was the first team who could get into the end zone against the Hawks on offense, as El Dorado's previously unscored upon defense was touched for three TD's. The Hawk defense still held the Wildcats to only 184 total yards gained. This was less than the Hawks 216 yards gained, but the Hawks were penalized 40 more yards than Brea.

For the first time this year the Hawks showed a balanced offensive attack. The Hawk passing attack was much sharper than in previous games, in fact the Hawks gained more yardage in the air than on the ground. Quarterback Chris Jones was the spearhead for the Hawks offense as he was the leading runner in the game with 85 yards in addition to completing seven passes.

By losing their first league game to Brea, El Dorado now finds themselves in the position that each game is a ''must win''. Although Saddleback has not faced the Orange Leagues finest in University and Laguna, they still have only given up six points in the two games. Bradford Field is the site of the game, which will start at 8 p.m.

VHS Cross Country Team Defeats University 19-38

Tiger cross country men got down to business against University, when the varsity team placed five in the top seven to win Thursday 19-38.

An outstanding effort by Mike Boaz, who ran a 9:45 in the two-mile, was best time in his running career according to cross country Coach Mike Cummings.

''The team showed good improvement,'' stated Cummings, ''and just an all around good performance by everyone''.

Placing third was Tony Morocco, Alex Lopez fourth, Andy Castro fifth, and Bob Tillman sixth.

The junior varsity and frosh-soph teams were triumphant over the University team.

Laguna Beach will be the guests of the Tiger pack, who are hoping to conquer Laguna harriers.

Tiger Water Polo Team Swims Past Bolsa Grande

The Valencia Tiger water polo team swam past Bolsa Grande to win 10-5 in last weeks match.

Three seniors Don Gresham, Steve Kneiss, and Chriss Kallas were the Tiger scorers with each of them scoring three points.

Chriss Sawyer, water polo coach, said that although the team did well, they should gradually get better, as they are working towards league finals and El Dorado matches.

Saturday, Valencia fish were scheduled to swim against Marina. The meet was canceled because of the lightning and rain. The Valencia-Marina match will be held at a later date.

Starting off in the league opener the Tiger fish will try to outswim Sonora Wednesday, to start off in first place and stay there the rest of the season.

Letters To The Editor

To the Editor:

I enjoy your paper very much and look forward to its coming. However there is one section I had never noticed and was indeed disappointed and saddened when I read it. It was "Looking Outdoors" by Jim Niemiec.

I think the day has passed when the people are impressed to hear of man's killing of harmless animals as a so-called sport. There is something sick about an individual who kills for pleasure. As my husband informed me, man alone does this cruel thing, animals kill because they would starve without killing for food.

I had felt man should direct his energies to saving life, not destroying it to feel a phony sense of manhood.

Hawk Cross Country Team Takes First Place

Facing the best runners in Orange County, El Dorado's varsity cross country team swept past their opponents to capture first place in their division at the Orange County Championships last Saturday.

Brent Wood, Ed Soto and Jim Unopulus all finished in the first ten to lead the Hawks. Although it was a good team victory, it was not marked by outstanding individual improvements. Wood is an example of this as he finished second as compared to finishing first a year ago.

Also taking second, but for the soph team and not the varsity, was Paul Bellizzi, who led the sophs to first place. In a remarkable run, Paul O'Neil finished third in the sophomore race, although O'Neil is only a freshman. Ken Morris also placed among the first ten as he came in eighth.

Thursday, El Dorado will host Saddleback in their second Orange League dual meet. In their first dual meet against Brea, the Hawks swept to an easy 21-37 victory over Brea. Wood, Soto and Unopulus led the Hawks, who didn't have the services of junior standout Pat Dutzi. The Frosh-Soph also won while the JV's were clawed by the Wildcats.

Matthews Is Named Top Player

The National Youth Hockey News, Chicago, Illinois, the official United States youth hockey news publication, has named 8-year-old Paul Matthews of Placentia, a member of the Greater Los Angeles Minor Hockey Association, as the recipient of the "player of the year" award in United States youth hockey for the 1970-71 season.

Paul scored 159 goals and 52 assists for a total of 211 points in 31 games during the 1970-71 season. Included in this total are 44 hat tricks.

He is a member of the Bay Harbor Hockey Club and is playing on the Los Angeles Hockey Club all star team for the 1971-72 season.

Fullerton JC Edges San Diego Mesa 10-9

Fullerton Junior College bounced back into the South Coast Conference race by upsetting the number two ranked junior college in the nation, San Diego Mesa.

Coach Hal Sherbeck needed this victory as his team hadn't won in a month, and now has the lift it needed. (Fullerton had lost three games by a total of ten points.) Also, the loss almost eliminates the Olympians from the conference race as they also lost to lowly Mt. SAC two weeks ago.

Sherbeck's squad hosts league leaders and favorites, Orange Coast, next Saturday at the Big A.

The Pirates have SCC Player of the Year for 1970 in the starting lineup again along with quarterback Gary Valbuena and wide receiver Doug Young. Valbuena completed 89 out of 201 passes last year and Young caught 43 of them. Also running back Ken Epplheimer is back again to shape up the most potent offense in the conference.

FJC is 2-3 so far on the season, but appears back on the winning track with the 10-9 victory over Mesa.

Mesa started out early climaxing a drive with a 34-yard field goal by Bob Marlett. In the second period, the Olympians scored again on a two yard pass interception return by tackle, Jim Peterson.

However, this time with Mike Churchward at the helm, Fullerton came back and scored with Sam Rossi plunging over from the two. Rheinheld Stuprick made the PAT compared to Marlett who missed minutes earlier. This proved the difference in the score.

Churchward got his team moving again. The Hornets had to settle for a game winning 32 yard field goal by Stuprich, as they were stopped on the 17.

With rain and hail soaking the playing field, the second half was controlled by the defenses of both teams. Fine punting by Tim Thorn kept San Diego deep until a fumble put them on FJC's 30 yard line in the closing minutes. Fullerton's line held and Mesa missed a 28 yard field goal attempt.

Troy Quarterback John Hufford runs around end in an effort to get on the scoreboard during Troy's 27-0 loss to Savanna last Friday night.

Titans Overcome Valley

With challenge number one out of the way, Cal State Fullerton's football team will take two weeks off from CCAA play.

Coach Dick Coury's squad struck like the lightning on a cold Saturday night, beating supposedly tough San Fernando Valley 36-8, for the Titan's fourth straight victory against no defeats.

Starting on their own 17 yard line, Fullerton marched all the way down the field to the Valley 24 before being stopped on the first set of plays in the game. The Titans settled for a 41-yard field goal by Greg Hiatt.

Late in the quarter, Dale Smith recovered one of the Matador's eight fumbles, on the Valley 25. Quarterback Mike Ernst took advantage hitting Stan Chapman on the 12 for a 17 yard gain. A pass interference call put the ball on the one, where Ernst ran over for the score.

Valley threatened twice in the second quarter missing a 21 yard field goal after blowing a third and three yards to the goal. Another Matador drive ended on Cal State's 12 yard line when time ran out at half.

Cal State gained three scores in the second half on mistakes by Valley. Defensive star Don Crtalic tackled the kicker on fourth and 16 putting Ernst in scoring position. Ernst did just that hitting Chapman for the TD.

Cornerback Dave Buchholz recovered a fumble by Jim Bird and Ernst scored his third touchdown by hitting tight end Morris Perry on a 40-yard play. After San Fernando was stopped, Ernst hit favorite receiver Chapman for 22 yards. Another Ernst-Chapman play brought the ball to seven, where Robin Denton ran it over in three plays.

In the final minute, with Chris Jaramillo quarterbacking, Joe Baca ran six yards to get Fullerton's final score. According to Coach Coury, "Baca was just what we needed." Baca led the team in rushing as he went 52 yards in 10 carries

With only ten seconds left, Ted Covington of Valley ran back the kickoff 83 yards for the Matador's only score.

Coury felt his team played the best game this season and has constantly been improving. "This is our biggest win," Coury claimed. He still feels Cal Poly SLO is the team to beat for the conference championship.

Cal Lutheran will be Fullerton's next opponent. The game will be played at Thousand Oaks High School on October 23. Lutheran is 2-2-1, tieing La Verne last week, 6-6. Whittier, Fullerton's number two victim, beat La Verne earlier this season

Warriors Shut Out By Savanna For 4th Loss

Football fortunes at Troy High sank a little deeper Friday night as the Savanna Rebels, aided by seven interceptions, walloped the hapless Warriors 27-0 at Fullerton Stadium. Troy's record now stands at 0-4 and the once mighty Warriors have only won one of their last 15 games.

It didn't take the Rebels long to get going as they drove 75 yards in eight plays to score with only four minutes gone. The big play of the drive was a 42-yard pass from Steve Deberg to Rick Riegle that set Savanna up at the Troy 32. Riegle also picked off three John Hufford passes to lead the Rebel defense.

Neither team moved in the second quarter and at the Homecoming half-time, the lethargic Warriors were only down 7-0. However, Savanna was through toying with Troy and engineered two scoring drives in the third quarter, one of 65 yards and one of 15 which was the result of a Chris Dialynas interception.

Hufford did complete eight passes to his own teammates for 75 yards and partly engineered a drive to the Savanna 17 late in the third quarter which was stopped by Riegle's third interception.

Workouts Set For Aquanauts

Photography is one of the few professions where all of the tools of the trade are readily available to the man on the street. Not only available, but the man on the street is actively urged to buy and use them.

This makes it difficult for people to understand why some photographs cost so much, and the difference between snapping a picture and making a professional photograph.

The garment industry makes a good analogy.

The person who buys an instamatic and has a lovely time snapping all sorts of pictures — some good some bad — can be likened to the woman who buys a sewing machine and uses it mainly to mend and sew simple things.

The talented amateur photographer is likened to the woman who studies and makes beautiful clothing, but only for herself or friends.

The professional photographer is the professional tailor, who perfects his craft and charges for his services.

The prices you pay and the quality you receive can be as varied as in the clothing industry, too.

You can buy portraits all the way from the bargain basement rack, which is the $2.99 package of photos offered at your local supermarket, to the custom portrait, which is the Paris creation especially for you.

The time you spend in front of the camera is only the tip of the iceberg that you see. In future columns we'll discuss what we mean by retouching, proofs, negatives, spotting and give you an idea of what happens after the photographer says, "That's all for today."
